

Stock Donation Instructions

Make your charitable dollars go further by donating appreciated securities, such as publicly traded stock, bonds or mutual fund shares, to Faith and Law.

Some individuals and households may be able to take advantage of IRS tax provisions to claim a charitable tax deduction for the full, fair market value of the securities, and may avoid paying capital gains tax on the transfer.

Prior to your stock transfer, please contact Susan Gates at sgates@faithandlaw.org and Nicole White at nwhite@faithandlaw.org to inform us of the following information so we can prepare your tax receipt:

1. The name of the company in which stock is held
2. The number of shares you are giving
3. The date of expected transaction

If your stock transfer donation is received with no attached donor information, your gift will be recorded as an anonymous gift.

Below, you will find the information required to make the transfer.
